Sports Premium Plan
2023-2024**

SPORTS PREMIUM

WHAT IS THE SPORTS PREMIUM?

The Government continue to provide funding to schools through the allocation of the Sport Premium. Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport on offer.

This means that schools should use the premium to:

- develop or add to the PE, physical activity and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For example, schools can use your funding to:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs

- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the School Games
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- raise attainment in swimming to meet requirements of the national curriculum before the end of key stage 2
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

Key achievements to date until July 2023:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • We have evaluated the outdoor learning environment now we are on one site, created a plan to develop the school grounds and have started actioning this. • The MUGA continues to be used daily to maximise opportunities for all weather sport. • The whole school framework for PE has increased the range of sports children encounter and is being embedded. • The series of Medium Term Plans progressively develop skills to guide teachers in PE and increase enthusiasm and confidence in teaching the subject. • The Sports Ambassador continues to teach alongside teachers each afternoon and run lunchtime and after school clubs. This has developed staff confidence and increased opportunities for children to take part in extra-curricular sporting activities at both lunchtimes and after school. • We have been awarded the Gold Games Mark to recognise our commitment to increase opportunities to get children active. • New equipment purchased is used to support the delivery of the MTPs and lunchtime equipment to encourage children to be active. • Outdoor learning is well established especially in the younger years eg Welly Wednesday • The school has additional opportunities for the children to experience outdoor and adventurous activities eg Eco 	<ul style="list-style-type: none"> • Improve fitness and engagement of all children in PE and sports. • Continue to tweak and embed the PE Scheme of work and medium term plans. • Further increase the opportunities for children to represent the school in sporting events. In particular, encouraging ALL children to enter in competitions, especially PPG/SEN children and those who don't naturally want to join in. • Continue to provide extensive opportunities to encourage children to be active and maintain the Games Mark status. • Continue to develop the school grounds as per our Landscape Strategy Report. • Continue to promote and encourage outdoor learning to be used in each year group to encourage activity. • Sports Ambassador to continue teaching afternoon PE lessons alongside teachers to increase staff confidence. • Swimming needs to continue to be a focus to catch those who were missed during COVID. In particular, those in Year 6 who cannot swim 25m. • Continue to support as many pupils as possible to attend the additional opportunities to be healthy and active eg Minstead, Rhos.
